Woman Owned Small Business since 2013

## Core Competencies

- Custom Test Fixtures & Safety Enclosures
- Off the Shelf High Voltage Safety Enclosures
- Off the Shelf test Fixture Kits
- DFT – Design for Testability Analysis
- Mechanical Engineering Services
- Machining Services
- Spring Probe application support and sales

## Differentiators

- Strategic Partners with Global Leaders
- Provide Engineering services/support with design review for customer projects.
- Provide Reusable and Retoolable products
- Products can shrink/grow in any axis

## Federal and State Certifications

- SBA Small Business
- Woman Owned Small Business

## Primary NAICS and PSC Codes

NAICS			PSC	
334515	334419	335999	6625	5998
334513	335311	333512	6150	6640
334516	334519	541380	5999	5963

## Past Performance

- Dept of Navy  
Contract N0025320P0123  
2020 \$245,051.00
- Harris  
Contract DTFAWA-07-C-00014  
2018 \$17,050.00
- Raytheon  
Contract N00024-16-C-5144  
2017 \$76,890.00
- Battelle Energy Alliance  
Contract # DE-AC07-05ID14517  
2013 \$105,300.00
- Dept of Air Force - subcontractor for  
Contract FA822410C0091  
2010 \$2.6M
